

Learning Team

The objectives and key results is all about how we set goals, make plans to deliver on them and then measure our success ... so we can do an even better job of helping our students thrive emotionally, socially and academically.

DISTRICT GOAL: Students Will Thrive Emotionally, Socially and Academically

Objective 3:

Wellness supports for students
and staff will be improved.

Ensure that the district's commitment to Truth and Reconciliation and equity are reflected in all practices.

Diversity, Equity, Inclusion and Anti-racism

Key Result 1: Review and begin to implement recommendations from the [Bakau Consulting JEDI Report.](#)

Key Result 2: Continue to engage with school communities in consultation to learn about experiences with racism and discrimination in our community.

Key Result 3: Provide professional staff training and development opportunities from an Anti-racist lens.

Key Result 4: Work collaboratively with a district team to create a racist incident reporting platform.

Key Result 5: Work collaboratively with Safe and Caring Schools to develop a restorative response to racist and hateful acts.

Key Result 6: Review school district policies and procedures currently in place to support diversity, equity, inclusion and anti-racism and identify areas requiring improvement.
